Motion carried.

Coordinator's Report for November: Nancy gave her report. She received one contract. The electrical outlet in the men's room does not work. She suggested getting the community involved in coming up with ideas of what to do with the ball field.

There were ideas presented: 1.) Exercise and walking area, 2.) Miniature golf, 3.) Community garden. It was also suggested that it be advertised for rent to soccer or little league groups. It was suggested that a post be put on the Clark Facebook page asking for ideas. Some people like to play with their dogs in the ball field because it is fenced. The dog feces has not been cleaned up which makes it messy for other uses. There was discussion about putting up signs asking for dog owners to clean up after their pets. It was suggested there be bags supplied for that purpose.

Unfinished Business:

1. Amy's trailer has been sold but not moved.

Comments:

1. Becky suggested that we have a fundraising event during the fall as well as the rodeo in the spring.

Adjournment: There being no further business, the meeting was adjourned.

Respectfully submitted by Susan Hoffert, Secretary
